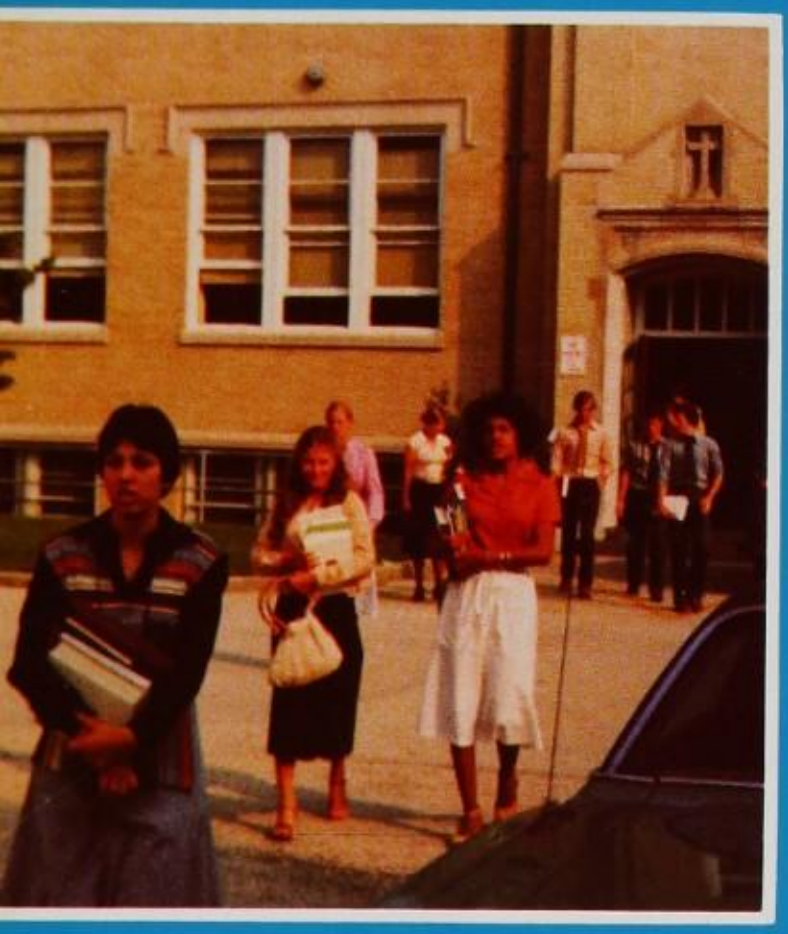
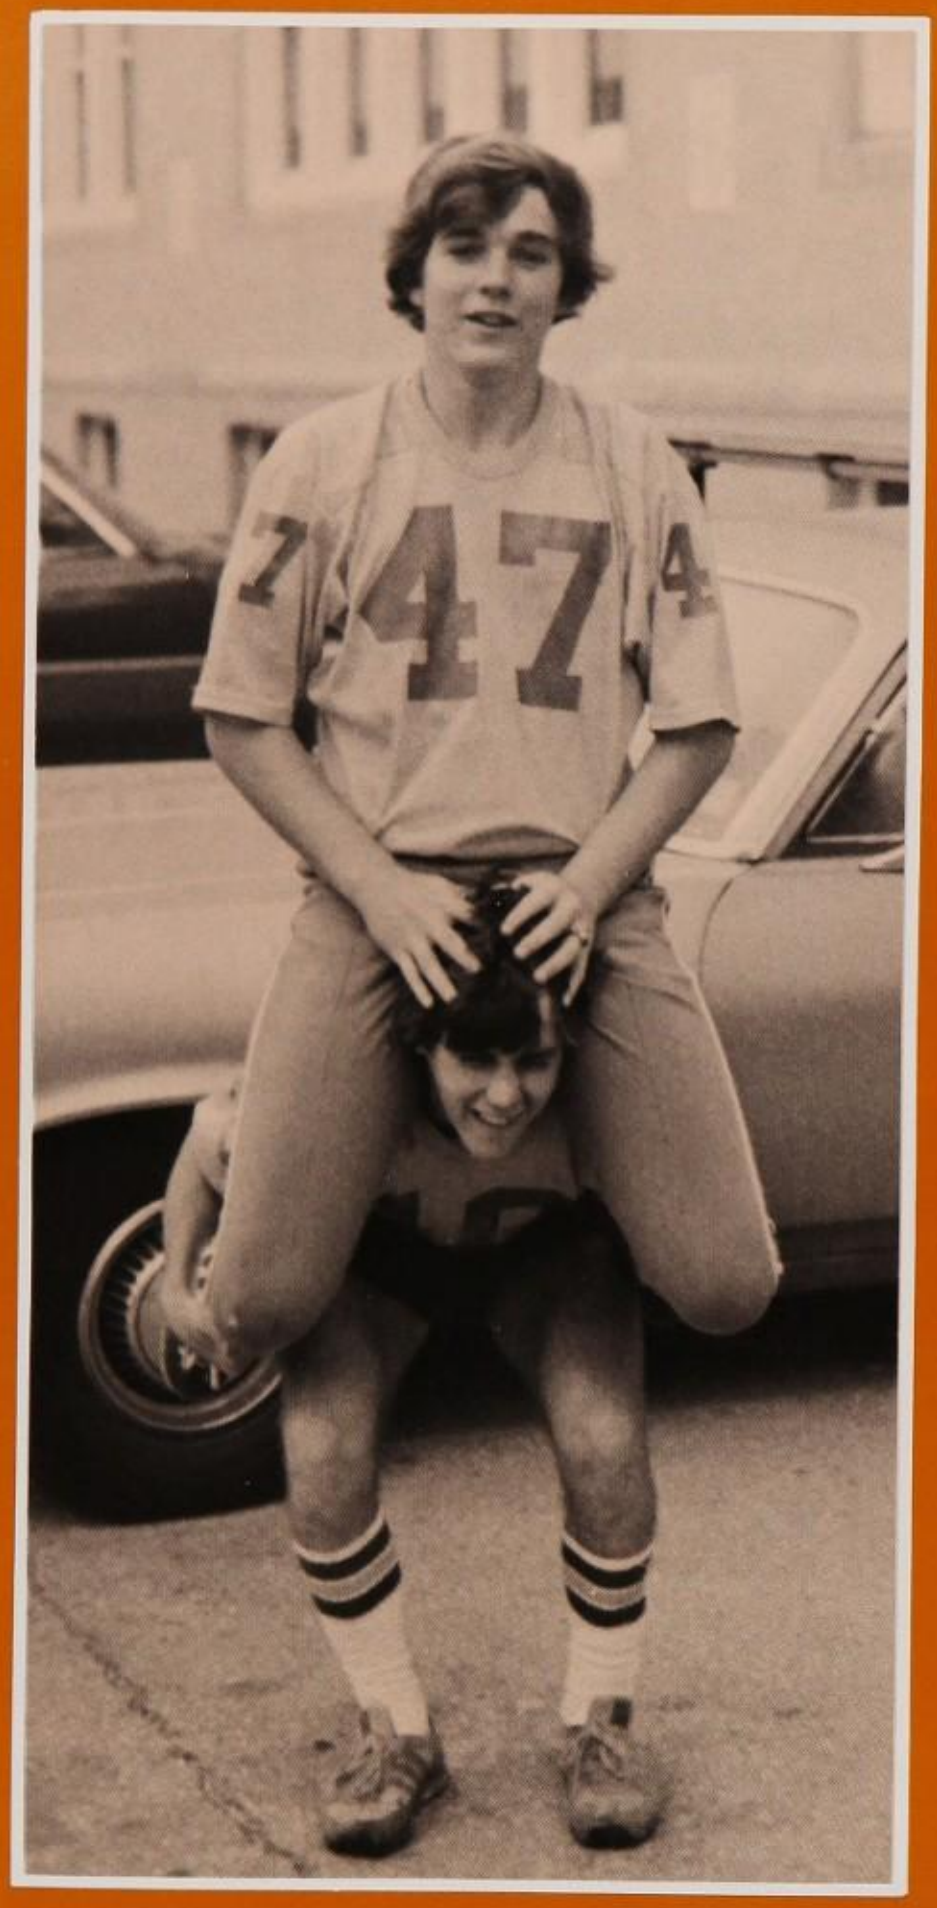
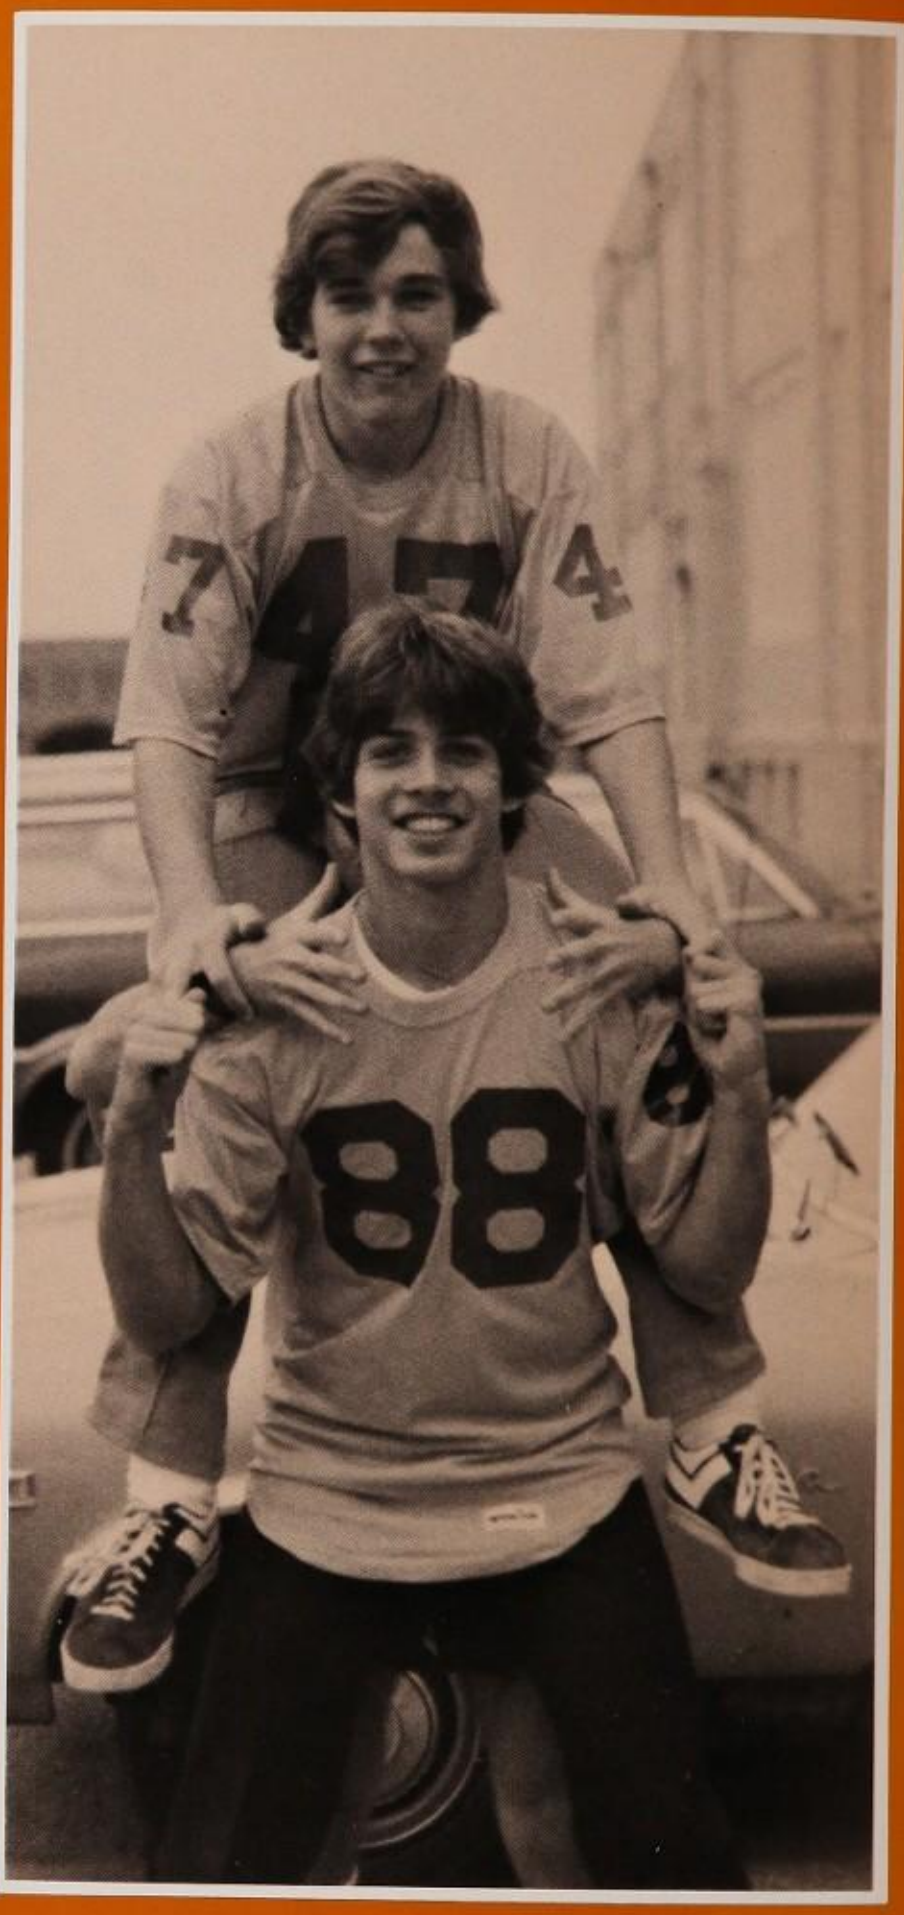
THE LAMB

1980 LAMB



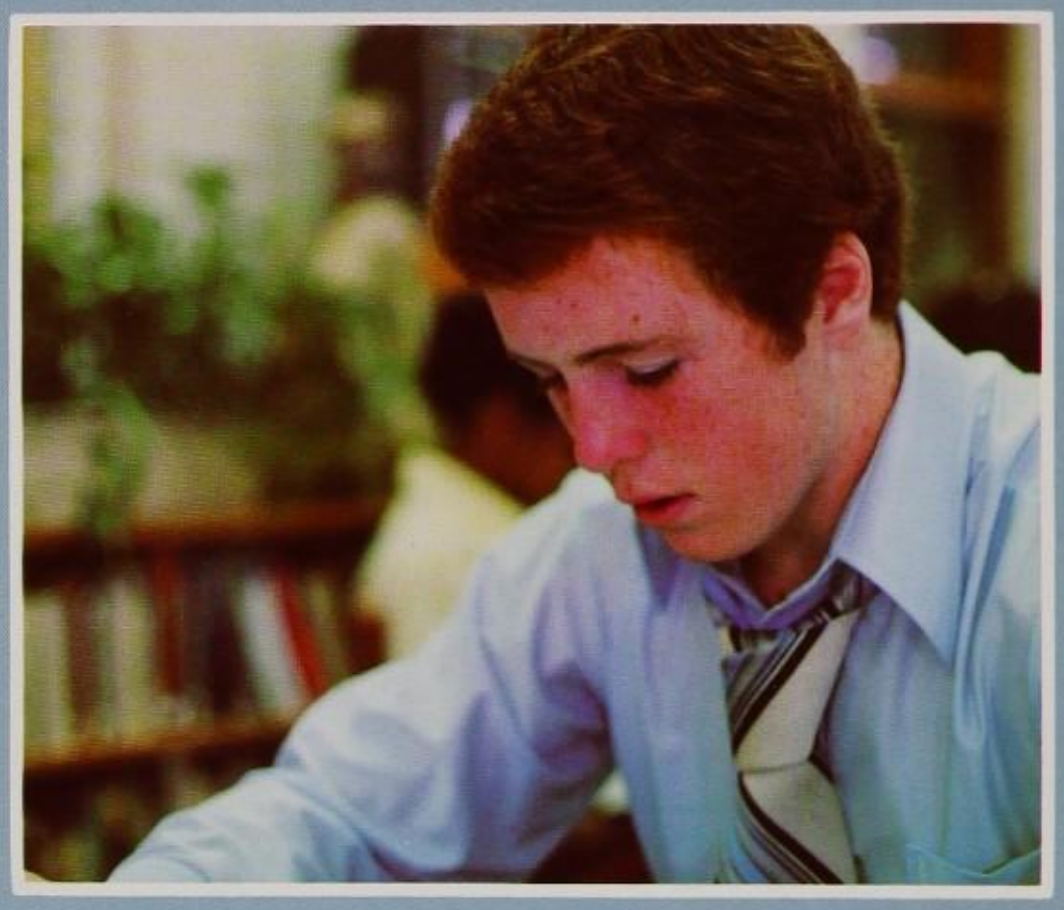
ALL GLORY COMES FROM DARING TO BEGIN





The wild world awaits me
With its hectic, noisy pace,
And I am stepping out
To join the human race.

I know it won't be easy
There'll be hurdles on the way,
But I feel I have to try
For all I have's today.



As I approach my mark,
There's the sounding of the gun,
And I smile as I think that
The race has just begun.

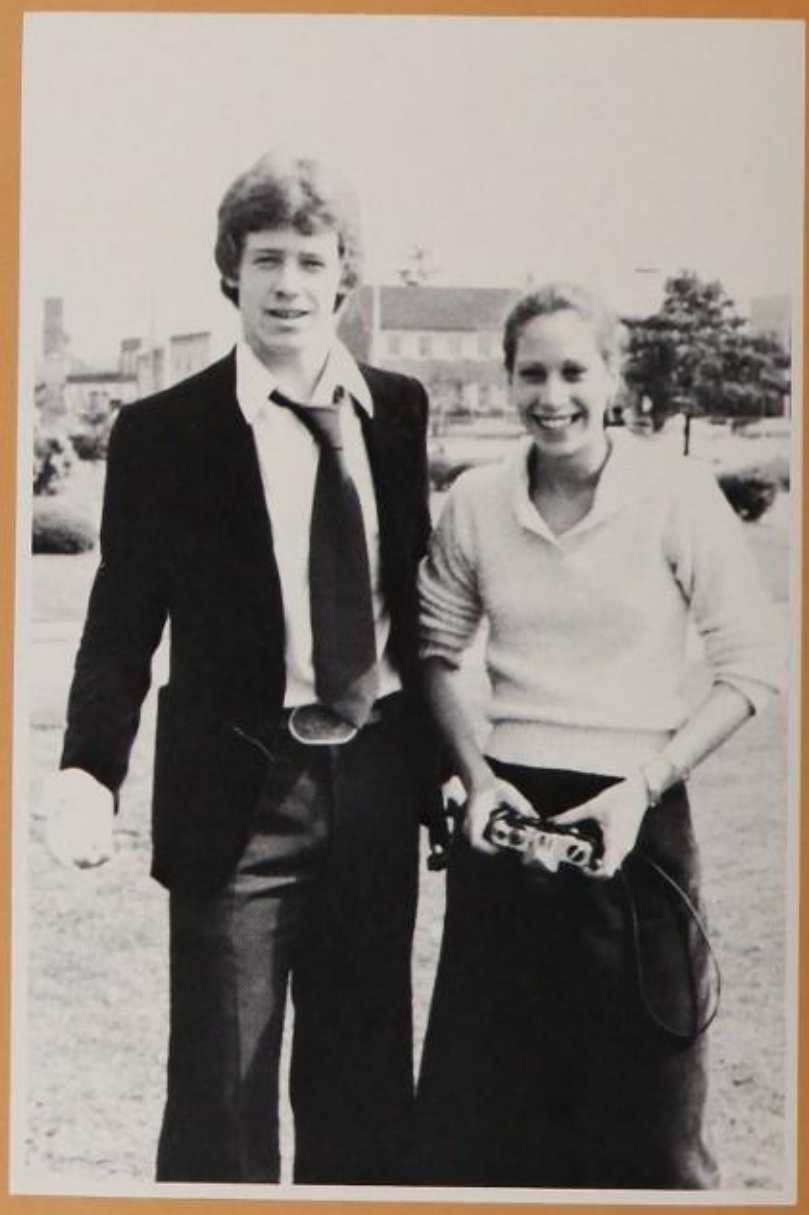
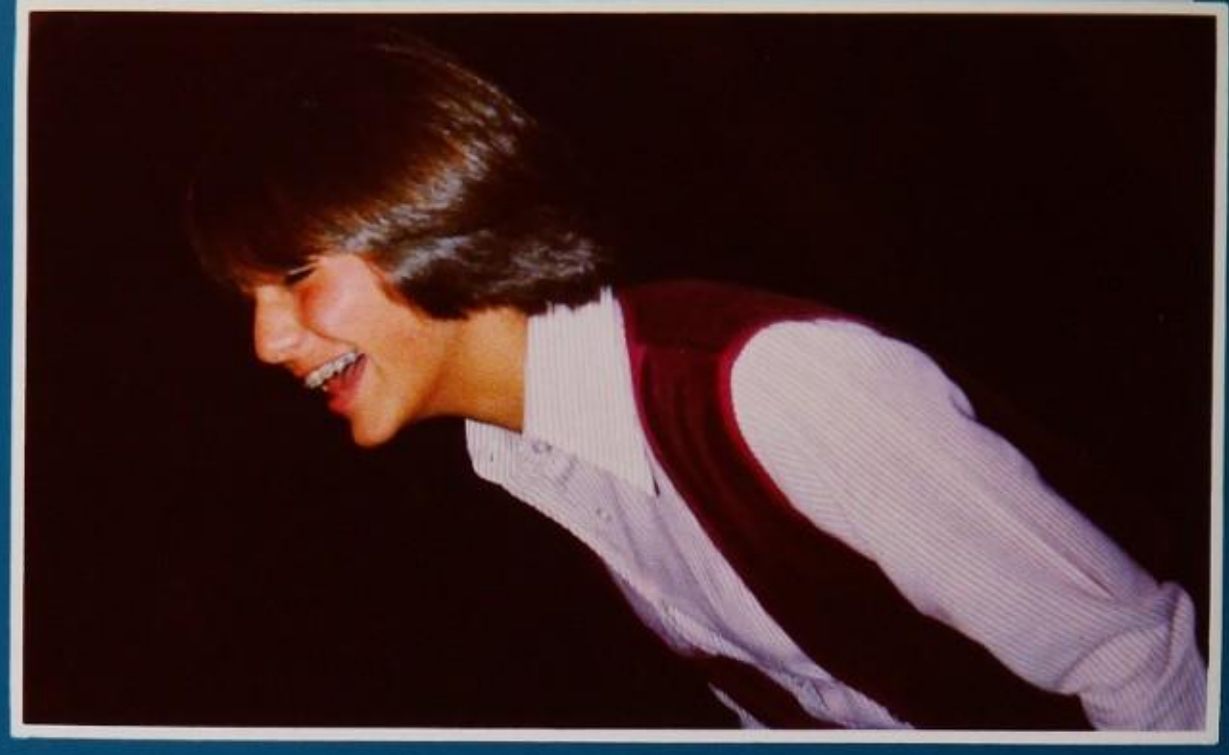
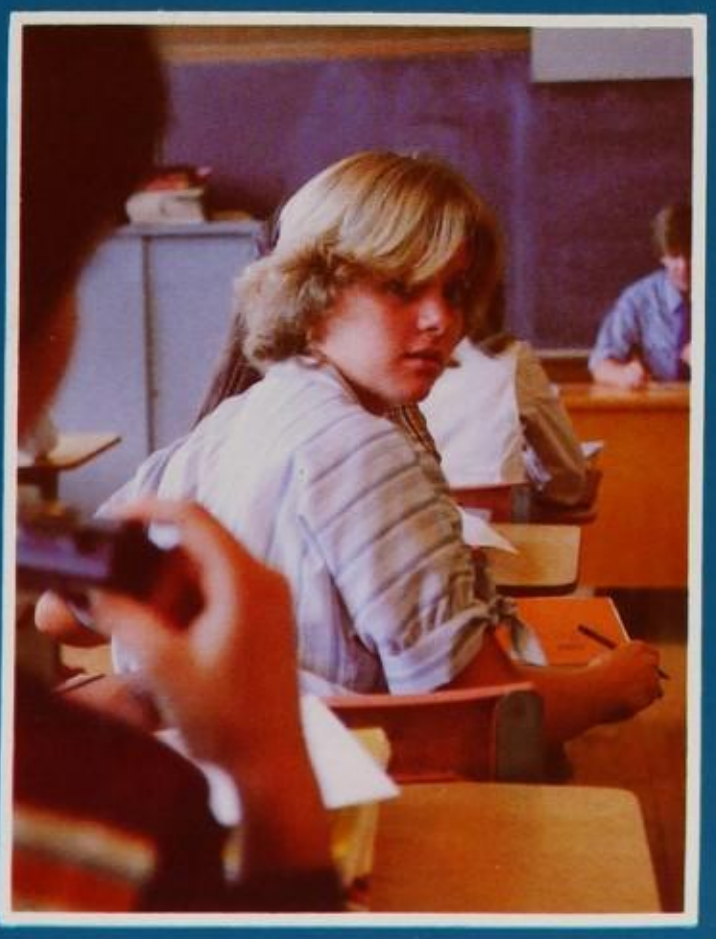
THE SECRET OF LIFE IS ENJOYING THE PASSAGE OF TIME
NOTHING GONNA STOP ME NOW - NO TIME'S GONNA BRING ME DOWN

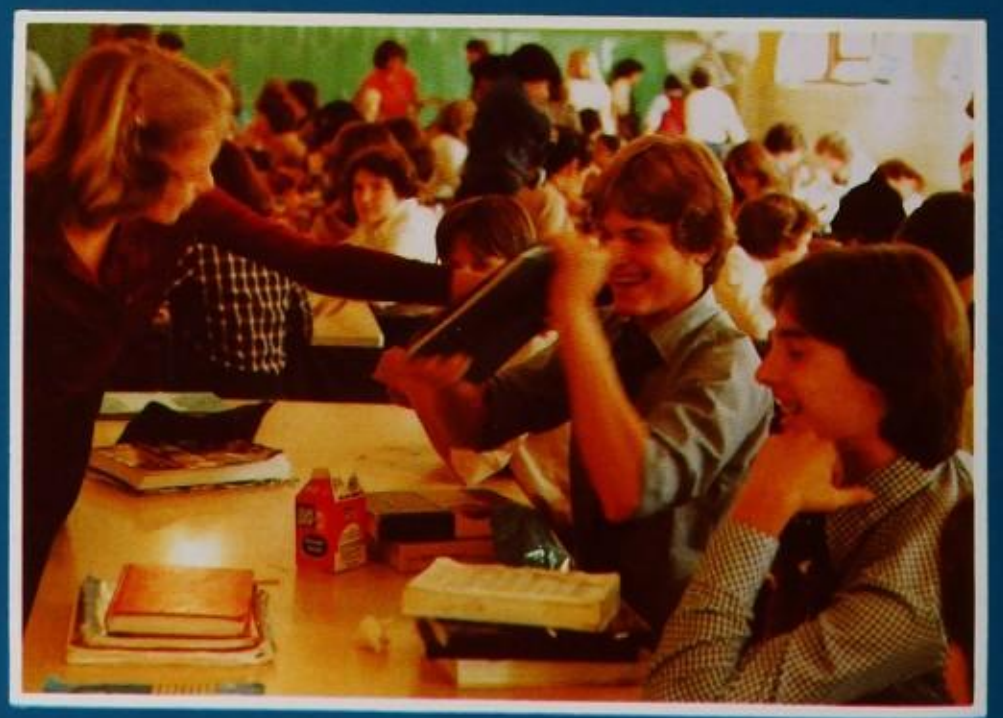


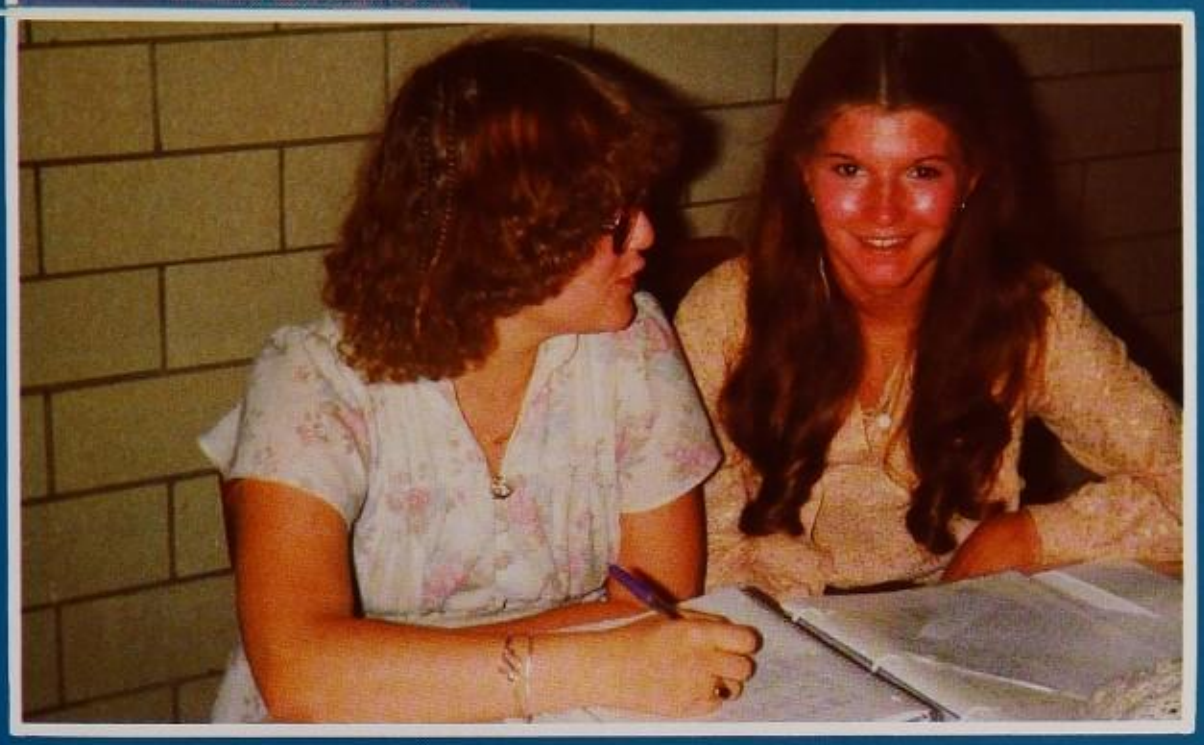
And tomorrow's gonna be a brighter day
There's gonna be some changes
Tomorrow's gonna be a brighter day
This time you can believe me
No more cryin' in your lonely room
And no more empty nights
'Cause tomorrow mornin'
everything will turn out right

J. Croce









Every day a new picture
is painted and framed,
held up for half an hour,
in such lights
as the Great Artist chooses,
and then withdrawn,
and the curtain falls.

And then the sun goes down,
and the long afterglow gives light,
And then the damask curtains
glow along the western window.
And now the first star is lit,
and I go home.

DRAMA CLUB

The St. Agnes Drama Club (members pictured above) under the direction of Mr. Russ Siller has done a great job once again. Last Spring, their production of "My Fair Lady" dazzled us with many fine performances, beautifully executed songs, and breath-taking scenery. Just before Christmas time the club put on a one-act play in the grammar school cafeteria. Their unique rendition of "Alice in Wonderland" was a thoroughly enjoyable affair. This spring Mr. Siller is looking forward to a St. Agnes performance of "Guys and Dolls".

Lisa Werner as Alice.

Nancy Feeney also played Alice.

At left, some colorful cast members sing and dance.

Alice and the Red Queen run for it.

Shelagh McGinn as Tweedle Dee.

At left, Theresa Duckett wrings out her tail from all of Alice's tears.

Donna the chef calls for more pepper.

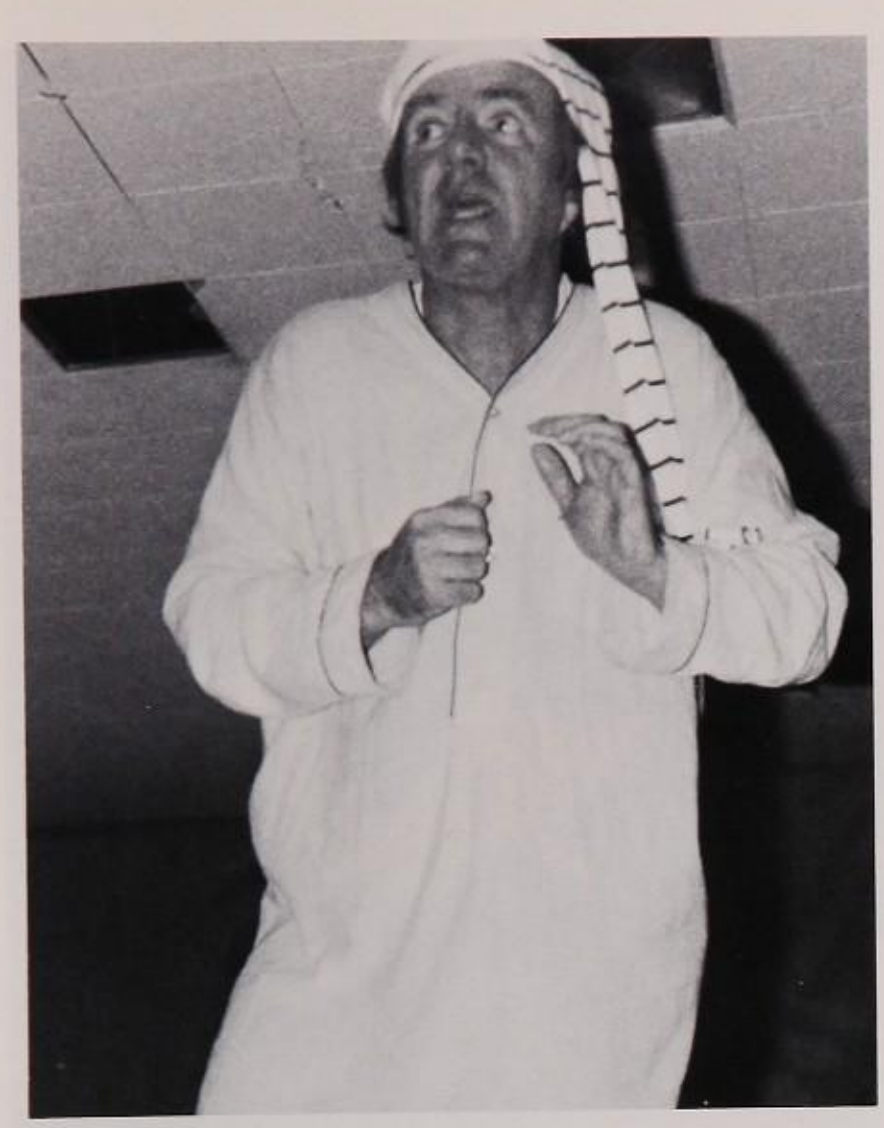
Greg Swigert as a horseman.

Cathy Ann Sleem is a rather frightened rabbit.

The St. Agnes Faculty under the direction of Mr. Siller performed a very enjoyable version of "A Christmas Carol". This is the first time that the faculty came together to do anything of this sort. The actors and actresses, some very new to the profession, all did a fine job. At right, Mr. Burke narrated the production.

Mr. Shea as Scrooge and Mr. Redmond as Bob Crachit.

The Crachit Family embraces.



Above, Scrooge thinks he hears a ghost.

Miss Geoghegan treats Scrooge to another vision.

Mrs. Miller as the Ghost of Christmas Past.

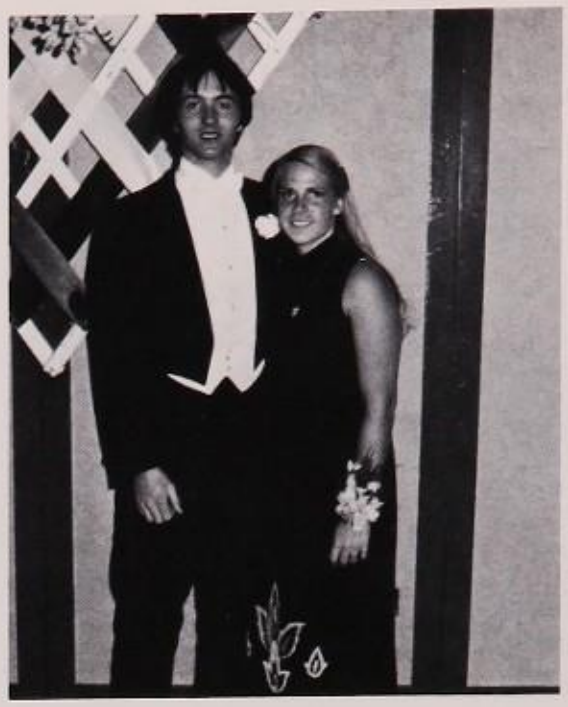
At right, Mr. Lou Garguilo as one of the Christmas ghosts leads Scrooge to a view of the future.

Above, Scrooge looks on at a view of his former self and his lovely girlfriend.

MERCY BALL

The Mercy Ball, an annual fund raising dance was held at the Colony Hill. St. Agnes was proud to be able to send so many fine representatives of our school.

John Powers and Brigid McGinn.



Matt Dennin and his lovely date.

Billy Cronin and Terry Doyle.

Mike Quadrino and pretty friend.

Pat McCarthy and his date.

Eileen Merhtens and Steve Seefreid.

Kathy O'Brien and Brian McCarthy.

BAND

Miss Joan Dickey (at right) directs the St. Agnes Band. We have had the pleasure of hearing their melodious tunes at many school functions. Their unique renditions of many avorite tunes entertained us at the Christmas Assembly and before the Drama presentations. The Band is still in its growing stages and we look forward to their continued success.

Above, the Band at the Christmas Assembly.

OUR BLOOD DRIVE

This year for the first time St. Agnes, under the direction of Brother Steve, sponsored a blood drive. All seventeen year olds were eligable for a donation. At righ, Joe Hubbell and Ricardo Alegria treat themselves to goodies after they donated. Not everyone was fearless as can be seen by a nervous Cathy Cunningham, below.

Tim Brown and Chris Bella wait their turn.

Mike Quadrino who put in a good show both before (above) and after (at right).

SENIOR SERVICE PROJECT

As part of the religious curriculum, our seniors are asked to volunteer their services to, schools, hospitals, and service agencies in the local area. The purpose of this program is to enable our students to practice the ideals of service which are discussed in religion classes throughout the four years at St. Agnes.

Over fifty agencies this year have benefited from the services of our seniors. The students, on their part, have learned more about themselves and their ability to respond to the needs of their fellow human beings. It is hoped that this program will provide a meaningful experience for our students to fulfill Christ's command to "love one another just as I have loved you". (Jn. 13:34)

Blue & Gold

The first Blue and Gold sports meet of the 80's was held on March 27 and 28 with Blue captain MaryBeth Phelan and co-captain Regina Murray; Gold captain Meaghan Healey and co-captain Anne Kerrigan. Miss Andreone, Sister Teresa and Mrs. Keon acted as moderators during the meet's preparation.

Blue took us on a fun-filled tour of the Big Apple with the help of Laverne, Shirley, and Louie, the friendly New York cab driver. Gold's Mrs. Goldwin, Jed, and Bernie, the talking catus had us trekking through the Old West as part of the Gold Rush.

On Friday night, Monsignor Melton broke the tie of seven wins for each team by announcing the victor: BLUE!

It is with mixed emotions that I write this tribute to Mike Kraemer, friend, principal, and gentleman.

Mr. Mike Kraemer came to us here at St. Agnes in 1968 as a teacher in the departments of French and Mathematics.

He had served in the capacity of Vice Principal in the high schools of Christ the King and St. Mary's.

It was but a short time that Mike's administrative talents were recognized and put to good use. He served on several of the staff committees during this period.

In 1970, there was an opening in the office of principal. After an intensive search, Mike emerged as the top candidate and was hired as principal for the semester beginning September 1970.

At that time our enrollment numbered 670 students. There were rumors, discussions and opinions concerning the future of St. Agnes high. Some even talked of its imminent closing.

Under his leadership, Mike Kraemer turned all this around, until now our enrollment numbers over 870, with a long waiting list of teenagers wishing to enter the high school.

He developed a more varied curriculum to suit student needs. A bus transportation system, enabling students from Queens and other outlying areas, to get to Rockville Centre, was put into effect. This has been a lifesaver for our registration.

Meanwhile, Mike Kraemer's leadership qualities were tapped as he served as state representative of the Catholic School Administrators Association of New York State, and the Principal's Council of our Diocese.

Mike Kraemer leaves our school in splendid condition, financially, administratively, educationally.

They say, behind every great man in a woman. This being true, behind every great principal there are assistant principals. Part of Mike Kraemer's success story lies in the capable assistance rendered by Mr. Pat O'Neill and Mr. Frank McNiff. Another part can be found in the unyeilding dedication of his staff of hardworking teachers who have always done their best for St. Agnes.

We will all miss our Mike Kraemer. Our wish is that he will find health, happiness and success in his new endeavors.

On behalf of all the people in St. Agnes Parish, we wish God's choicest blessings.

Your friend,
Edward L. Melton
